THE LADWP BLOOD DRIVE

Thursday, November 15, 2012
from 8:00 a.m. to 2:00 p.m.,
A-Level in the JFB Cafeteria
Conference Center

Check with your supervisor before making an appointment through the Employees' Association at (213) 367-3146.

Blood is needed for emergencies and for people who have cancer, blood disorders, sickle cell, anemia and other illnesses. Some people need regular blood transfusions to live.

Imagine if giving blood was part of everyone's life. Something you did on a regular basis, like eating at your favorite restaurant. What kind of difference would that make? For nearly 5 million people who receive blood transfusions every year, your donation can make the difference between life and death.

TOP 5 REASONS PEOPLE DON'T GIVE BLOOD

1. **I don't like needles / I am scared of needles / I am afraid to give blood**
Nearly everyone feels that way at first. However, most donors will tell you that you feel only a slight initial pinch, and 7-10 minutes later, you are finished and headed for the canteen. If you take the time (and courage) to make one donation, you'll wonder why you ever hesitated.
2. **I am too busy**
The entire process takes about an hour, and the **ACTUAL BLOOD DONATION TIME IS ONLY 7-10 MINUTES**. If you stop to think that an hour of your time could mean a lifetime for a premature baby, someone with cancer undergoing chemotherapy, or someone who's had an accident, you might decide that you can make the time to give the gift of life.
3. **No-one ever asked me... I didn't realize my blood was needed**
Consider yourself asked! There is simply no other way to supply the blood needs of hospital patients but for the generous donations of people like you. Every two seconds someone in America needs blood. More than 38,000 donations are needed every day in communities across the U.S.
4. **I already gave this year**
You can give every 56 days. Many donors give 5 times a year!
5. **I am afraid I'll get AIDS**
It is not possible to get AIDS by donating blood to the American Red Cross. A new sterile needle is used for each donor and discarded afterwards.

ADOPT-A-FAMILY

Cathedral of
Our Lady of the Angels
555 West Temple Street

Would you like to share your blessings with those less fortunate this Christmas Season?

Here is an opportunity to help a needy skid row family in downtown Los Angeles.

Each year the Cathedral of Our Lady of the Angels visits and interviews needy skid row families and then attempts to get these families adopted and their needs met. These needs cover a broad range of items and can include things like clothing items, kitchen house wares, linens, personal items, children's toys, etc.

The comforting thing about this charity effort is that the need is verified and you know who your gift of charity is actually going to.

If you would like to see their "needs" list and sign up for one or more of the items, please contact Susan Damron at 212-367-0279 or Cliff Damron 213-367-2599 no later than December 6, 2012.

Gift items need to be new, gift wrapped, and labeled with the person's name and Family ID number. All gifts must be delivered to Susan (JFOB 1541) or Clifford (2633 Artesian St.) Damron's office no later than 3:00 p.m. on December 13, 2012.

MARIPOSA WOMEN AND FAMILY CENTER

Mariposa Women & Family Center (Mariposa) opened its doors in 1977 in response to a need for substance abuse treatment services designed specifically for women in Orange County. Soon after its founding, Mariposa's staff quickly saw that substance abuse outpatient services were not the only services that its target population needed to recover and live successful lives. In response, Mariposa added the gender-sensitive mental and behavioral health services that have continue today, targeting very low-income, high-risk population. In 1999, the County of Orange invited Mariposa to become a contracted CalWORKs behavioral health site due to its success in reaching and serving the very same population enrolled in CalWORKs: low-income, at-risk women, many dually diagnosed with substance abuse and mental health issues.

Mariposa carries out its mission by providing gender-sensitive mental health and substance abuse services that take into account the unique needs of women and their entire families. Its therapeutic approach and programs are grounded in the knowledge that women struggle with mental illness and substance abuse in different ways and for different reasons than do men. What is more, women's recovery is vastly improved when they can access programs that take these gender differences into account. In recent years, those gender differences have been specifically acknowledged by the U.S. Surgeon General, the Substance Abuse and Mental Health Services Administration, and the California Institute for Mental Health. All have now called for the very type of services that Mariposa has provided for more than 30 years.

Thank you to The Los Angeles Department of Water and Power Employees and Retirees for their generous donations!

CREAMY MASHED POTATOES

By Ree Drummond

INGREDIENTS:

- 2 sticks butter, softened, plus more for pan
- 5 pounds russet or Yukon gold potatoes
- One 8-ounce package cream cheese, softened
- 1 cup heavy cream
- 1/2 to 1 teaspoon seasoned salt
- 1/2 teaspoon kosher salt
- 1 teaspoon black pepper

DIRECTIONS

1. Preheat the oven to 350 degrees F. Generously butter a 4-quart baking dish.
2. Peel and cut the potatoes into chunks. Bring a large pot of water to a simmer and add the potatoes. Bring to a boil and cook until fork tender, 20 to 25 minutes.
3. Drain the potatoes in a large colander. Place them back into the dry pot and put the pot on the stove. Mash the potatoes over low heat, allowing all the steam to escape before adding in all the other ingredients.
4. Turn off the heat and add 1 1/2 sticks butter, the cream cheese, heavy cream, seasoned salt, kosher salt and pepper. Mash to combine.
5. Spread the potatoes in the prepared baking dish. Throw pats of the remaining butter over the top of the potatoes and bake until the butter is melted and the potatoes are warmed through, 20 to 30 minutes.

DOWNED WORKERS PROGRAM

Your Los Angeles Water and Power Employees' Association has introduced a new component of its assistance programs. As it has done since the early 1930's, your Water & Power Employees' Association added the *Downed Workers Program* to complement the benefits offered by the Department and Local 18.

The new *Downed Workers Program* will assist family members of Department employee who requires hospitalization after sustaining work related injuries. We know that having loved ones nearby helps recovery, and eases stress during these difficult times. This program provides instant monetary disbursements for the cost of family member transportation, housing, food, and other miscellaneous expenses incurred while attending to, or visiting the injured employee, with no expectation of repayment. Upon release from the hospital, a recovering employee may seek assistance from our other programs, such as, medical equipment grants and emergency loans.

We thank the Power System for conceiving this program and introducing it to the Employees' Association Board of Directors in early 2009. Representatives of the Power Safety & Training Group also met with our Board on several occasions to develop program guidelines. In November 2009, the Employees' Association Board approved the guidelines and allocated funding for program establishment. In March 2010 program introduction began at quarterly Safety meetings and New Employee Orientations. The response was immediate, and employees generously contributed to the Donors' Welfare Plan.

The new *Downed Workers Program* fulfills our stated mission of providing assistance to employees and their families. We should be proud to have programs that help our fellow employees and the community during difficult times. Remember, all assistance programs rely on Donors' Welfare Plan funding, so we seek your support in promoting this program and encouraging employees to contribute.
